

RIDGETOWN University of Guelph
CAMPUS CHRISTIAN FELLOWSHIP UPDATE

BY THE NUMBERS

September - October 2017

The students arrived on campus the first week of September. The Campus Director permits me to introduce myself to the Juniors at their Orientation and Welcome Banquet. Every new student receives a pre-loaded Timmies card attached to information promoting Campus Christian Fellowship and an invitation to meet the chaplain. It's a big hit!

The events begin. This report gives you the numbers:

- BBQ and Bon Fire at the Chaplain's Home – 55 attended
- Thamseville Corn Maze – 40 attended
- 3 God on Tap Bible Conversation Nights - Average attendance is 40 thus far
- Persons already indicating they want to participate in the Dominican Republic Service Learning Mission Trip - 22

The total number of different students participating in Campus Christian Fellowship events to date is 75; that is over 11.5% of the student population. The anticipated number by year end is 15% of the student population.

Campus Christian Fellowship provides existing followers of Jesus opportunities to deepen their faith roots. For those who are curious, inquiring, and seeking, Campus Christian Fellowship provides them an opportunity to trust in Jesus Christ as their Lord and Saviour. The Ridgetown Campus Christian Fellowship Ministry is a MISSION on our doorstep! It merits the support of all our local churches. Thank you for partnering with us.

Blessings,

Doug Rowley, *Chaplain*
